RCMS MIDDLE SCHOOL

Mission Statement
Rowan County Middle School’s mission is to develop the potential of each student to become a contributing, responsible member of society through educational, emotional, cultural, social, and physical experiences. Staff, parents, and community with a “Together We Can” attitude provide opportunities, which collectively engage our students.

Principal Message
RCMS is so pleased about all we have done and will continue to do this Fall. Our academic and athletic programs continue to perform well. We have a phenomenal group of students!

RCMS has applied for the esteemed designation as a “Schools to Watch”. This national recognition has 4 main criteria:

Academic Excellence, Developmental Responsiveness, Social Equity, and Organizational Structures.

Our school is also seeking accreditation from AdvancED. This process includes an on-line parent survey which can be accessed through the Rowan County Schools web page. Details will be provided on Parent’s Night, November 14th, starting at 5:30 in the gym and ending at 7:30.

We are excited about our new Student Voice Team and KYA (Kentucky Youth Assembly). Also, be sure to donate to our Middle School/Soup Kitchen Food Drive. Our kids make a difference!

Please remember our PTO is always looking for parent involvement. Contact our PTO president for more information. Let’s all work together to make RCMS the best it can be.

-Jay Padula
